Karan is a great teacher. He is always willing to help, and does explain very well.
The instructor was very flexible with time and very knowledgeable. The instructor communicated different plans or future plans in general with the direction of the class clearly and was able to provide work experience and other such things to learn more about. The way the instructor taught this class was very well done
The best course and best teacher I had this year.
I loved the structure of this class. Karan was great at getting engagement from us, which I really appreciated.
